MOBILE PHONE PERMISSION FORM

Although we do not encourage children to bring mobile phones into school, we appreciate that it may sometimes be necessary for children who go home on their own to do so. (As you know, if you **do** collect your child and there is a problem we can contact you via the office.) **However please note that children may not use mobile phones in school at any time** (even staff only use them during their breaks) so make sure that your child is aware of this and fill in the permission slip below if you want your child to bring a mobile phone to school.

Pupil Name Class

Signed Date (Parent)

I would like to ask permission for my child to bring a mobile phone to school because (please tick):

He/She uses the school bus or other public transport and needs to be able to contact home

He/She is not collected directly from school

.....

I also understand that the following rules apply:

1. Pupils **must** bring all mobile phones (switched off) to the office on arrival and put them in the phone box.
2. Pupils **must** collect all mobiles when ready to leave school at the end of the day.
3. Pupils **must** collect mobiles **following** any After School Activities and **not before**.
4. The school **cannot** be held responsible for any loss, theft or damage to the phone while in our care.
5. If children cannot comply with these requirements, we may not allow them to bring a mobile to school.
